The Armech Hotel Solution.

Designed by the world's leading Architects. Mechanically detailed to enable production efficiency. Produced on a production line at a rate of more than 50 modules a day.

Site erection in days.

Minimum materials are used in this super strong, super insulated energy efficient building method.

Save millions on site by building your Hotels on a production line.

Pre-finished with high insulation values. Twice the UK standard. Keep warmth and heat out!

Superior internal detail for we built for the Accor Group
