

Water Treatment & Process Containerisation

www.tecint.co.uk

Over the past 12 years TEC Armech has containerised numerous processes building anything from water treatment plants to fuel batching plants into a container.

Efficient manufacturing in our world class facility in China.

Any process can be containerised.

Above: Water Treatment Tanks

Left: Water storage tank shipped with tarpaulin

Right: An epoxy lined treatment tanks

Right: Stacked to create infinite process storage capabilities.

We can produce tanks for :-

- Water Treatment
- Drilling Mud Processing
- Wax Process / Heating / Batching
- Fuel Dispensing and Control
- Bitumen / Asphalt Plant tanks

**Tectainer
Products Inc:**

Bulk Containers

20ft and 40ft
Full Opening
Side Door
Containers

Waste-
management
Containers

Open-top, GPs
& Flatracks

LPG T50 tanks

27 tonne
Bitumen tanks

28,000 Itr
Lubricant &
Oil Tanks

70 m3
Petrochem
storage Tanks

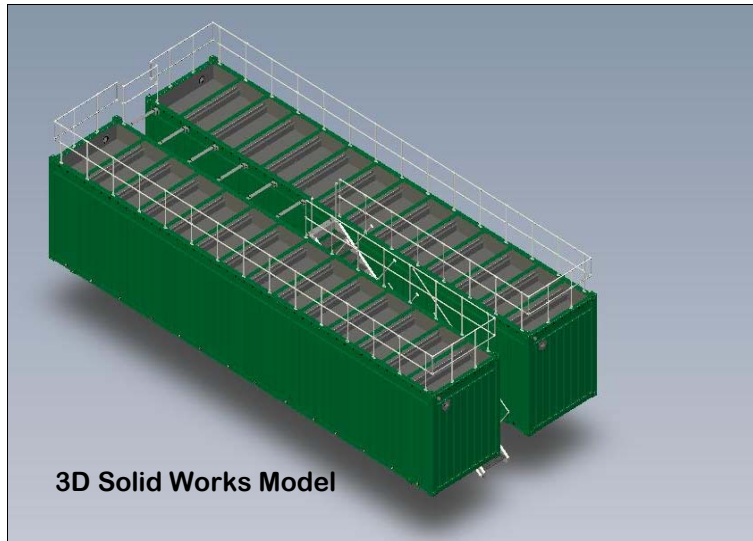

26,000 Itr
tank containers

Water Storage & Process Containerisation

www.

We design all systems using Solid Works to perfect the design before going to production.

A design specification and e-drawings and GA are sent for the customers interface and approval.

Right: Work is performed in the cleanest environments
